LOKMAT TIMES

'ACBCS' ranked sixth in State by Education World

LOKMAT NEWS NETWORK
NASHIK, MAY 29

Ashoka Center for Business and Computer Studies (ACBCS), Nashik, has been ranked at sixth Position in Maharashtra State for the year 2023-24 by 'Education World' under the non-autonomous category of Art, Commerce and Science college. Education World conducts annual domestic surveys to rank the top 100 private universities, engineering colleges, business schools, arts, commerce and science colleges in the country. The agency evaluates educational institutions through a sample selection process by carefully analysing the answers received from professors, industry representatives and final year students.

Education World's ranking assessment was based on seven criterias of excellence in higher education without relying on any kind of information or evidence from educational institutions. The criteria for evaluations were Competence of Faculty, Faculty Welfare and Development, Curriculum and Pedagogy, Placements, Infrastructure and Facilities, Leadership or governance quality.

IINFRASTRUCTURE AND FACILITIES

Library

ACBCS Central Library is established in 2009. The Library plays a vital role in the collection development and dissemination of Teaching & Learning information to meet the present and future needs of the Students & Educators. The library has rich collection of books on Managements, Computers Science, Programming and many more. The collection includes text books, reference books, handbooks & CDs etc. It has well designed and maintained stack rooms. The library is computerized using KOHA Software. It contains fully Computerized Records and Issue of books. The catalogue of the library is available online staff and students can search the books through Web-OPAC. The total area of the Library is 1961 sq.ft. Library is well collection with 8445 books, 12 National/ International journals and periodicals. Library is also subscribed N-List E-resources.

NSS

The National Service Scheme (NSS) is an Indian government-sponsored flagship public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in 1969. Aimed at developing a student's personality through community service.

National Service Scheme (NSS) is introduced for the primary objective of developing the personality and character of the student youth through voluntary community service. 'Education through Service' is the purpose of the NSS.
The ideological orientation of the NSS is inspired by the ideals of Mahatma Gandhi.

- National Service Scheme (NSS) is beneficial to both students as well as the society in various different means. NSS helps the student to grow individually and also as a group. It makes the students confident, develop leadership skills, and gain knowledge about different aspects of the society.
- The Motto or watchword of the National Service Scheme if "Not Me But You". NSS volunteers generally work in villages, slums and voluntary agencies to complete 120 hours of regular activities during an academic year.
- As per the fundamental principles of National Service Scheme, a volunteer is expected to remain in constant touch with the community. There are two types of NSS activities: Regular Activities (120 hours) and Annual Special Camp (120 hours).
- All the NSS Volunteers who have served NSS for at least 2 years and have performed 240 hours of work under NSS are entitled to a certificate from the university under the signature of the Vice-Chancellor.

Language Lab

The college has a dedicated computerized language laboratory. The SOFTWARE - EWL (English - Wordsworth - Language Lab) is used by the college. An English Language Lab is essential for enhancing students' communication skills, critical for academic success and career advancement. It offers interactive, practical training in listening, speaking, reading, and writing, enabling students to master English. This proficiency boosts their confidence, employability, and ability to thrive in a globalized world.

Research and Innovation Cell

ACBCS has a well-established research and innovation cell whose responsibilities are to create awareness among students and teachers regarding research and provide opportunities to them to enhance their research acumen. To encourage and assist teachers and students for writing Research Papers, participating in Seminar, workshop, conferences, Applying for research competitions and project grants. To initiate and encourage Consultancy Services. To enhance faculty proficiency through additional qualification (PhD, SET/NET etc.)

Alumni Association

ACBCS Alumni Association was created and registered in 2018 with the registration number Regno.Nashik/0000158/2019. The college alumni is important for fostering lifelong connections between graduates and the institution. It provides a platform for networking, mentorship, and career support, benefiting both current students and alumni. Engaged alumni contribute to the college's growth through knowledge-sharing, fundraising, and enhancing the institution's reputation, creating a stronger, more supportive community.

Women Empowerment and Anti-Harassment Cell

The Women Empowerment and Anti-Harassment Cell is crucial for ensuring a safe, inclusive, and supportive environment on campus. It promotes gender equality, raises awareness about women's rights, and addresses concerns related to harassment. By empowering women and advocating for their well-being, the cell fosters a culture of respect, security, and equal opportunities for all students.

Training and Placement Cell

The Training and Placement Cell will help the undergraduate and postgraduate students of ACBCS through counselling and training for development of desired skills essential for suitable job profile/ higher education/ self-employment and inviting the Corporate Industries / Commercial Organizations/ Public Sector Undertakings for campus placement

Training objectives are to identify the training needs of students, to plan as per need identification, trainings for the students, to conduct trainings as per schedule and to develop selected employability skills among the students.

Placement objectives are to establish training and placement cell, to identify students interested for placement, to plan campus placement drives on and off campus for the interested students, to conduct placement drive as per schedule for the interested students and to coordinate with various Companies, provide job opportunities to students.
