Sr. No.	Agenda Point	Action / Decision
1	Alumni Feedback.	Alumni students found difference between the curriculum they have studied during their graduation years and market trends. So develop some add on /value added courses as per need of our department students so that this difference will be get minimize and also focus on practicability of subjects
2	Employer Feedback	Employer found student's communication skills are excellent and knowledge wise also good. Students are aware about what is going in around market and their fields. One suggestion orally given by them that make the student more patience.
3	Parents Feedback	Parents were happy with the college teaching -learning mechanism till they suggested to have more industry visits to get practical exposure. So schedule visits in next academic years as per their need for subject.
4	Students Feedback	Students were happy with efforts taken by teachers. They suggest that curriculum should get updated as per market needs. They though that Existing curriculum is out of market but it is required for basics.
