

Clean and green campus initiatives

The institutional initiatives for greening the campus are as follows:

1. Restricted entry of automobiles
2. Use of Battery powered vehicles
3. Ban of Plastic use
4. Landscaping with trees and plants
5. E Waste Management
6. Plant donation and plantation at the campus
7. Shadu Mati Ganpati Making workshop

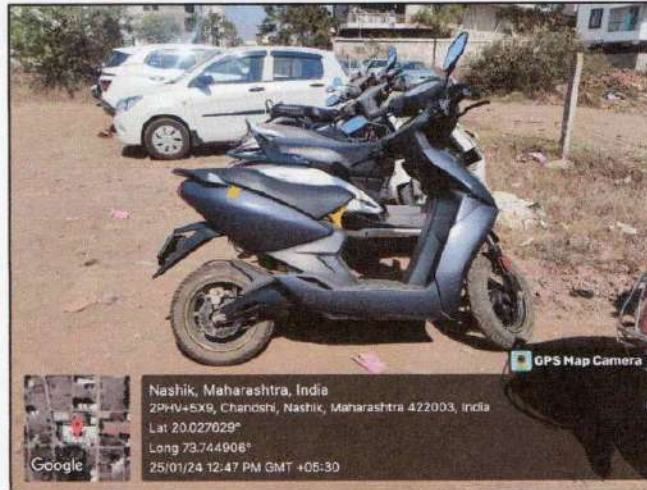

1.Restricted entry of automobiles

Ashoka Center for Business & Computer Studies in Nashik has implemented a restricted entry policy for automobiles on campus as part of their green initiatives. This decision reflects the institution's commitment to environmental sustainability, aiming to reduce carbon emissions and promote eco-friendly transportation alternatives.

2. Battery-Powered Vehicles

Ashoka Center for Business & Computer Studies in Nashik is actively promoting the use of battery-powered vehicles as part of its green campus initiatives. Encouraging students to opt for eco-friendly transportation options aligns with the institution's commitment to environmental sustainability.

3. Ban on the use of Plastic use

In the wake of escalating environmental concerns college has taken a commendable step towards sustainability by implementing a comprehensive plastic ban on its campus. This transformative initiative reflects the institution's commitment to reducing its ecological footprint and fostering a greener, more responsible community.

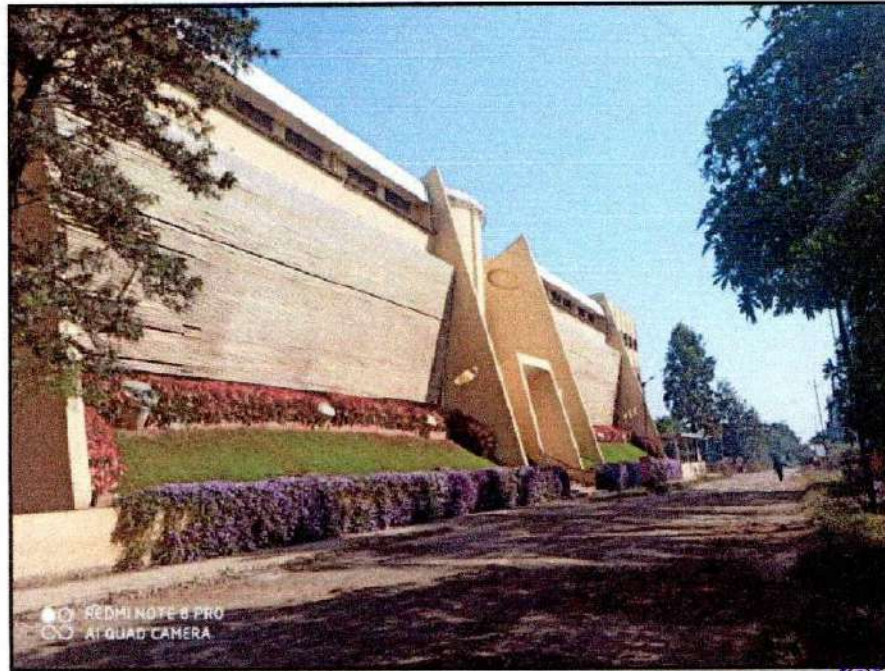

4. Landscaping with trees and plants

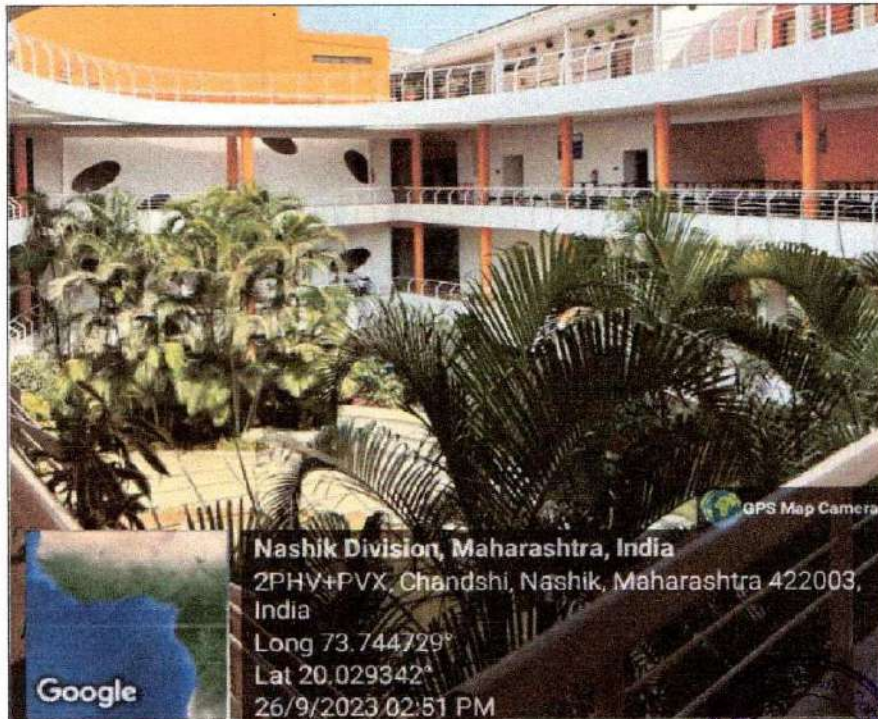

Ashoka Center for Business & Computer Studies (ACBCS) in Nashik enhances its campus aesthetics and environmental impact through thoughtful landscaping featuring a variety of trees and plants. College is having following trees available in the campus :
