

# Standard Operating Procedure (SOP)

## Continuous Internal Evaluation (CIE)

---

### Introduction

The evaluation of the students is an integral part of the teaching-learning process. Which Allow teachers to evaluate the performance of their students in accordance with the learning objectives and outcomes they have set & having focus on 'assessment for learning. The Continuous Internal evaluation (CIE):

- 1. Continuous Progress:** Continuous assessment encourages students to make consistent progress throughout the semester rather than relying solely on a single, high-stakes examination. This approach supports a deeper and more thorough understanding of the course material as students engage with it incrementally.
- 2. Alignment with Course Outcomes:** It allows teachers to regularly assess and evaluate their students' performance in alignment with the specific objectives of the course. This ensures that the assessment methods and content are directly relevant to what students are expected to learn.
- 3. Development of Skills:** Continuous assessment promotes the development of a range of skills beyond rote memorization. These skills can include creative and critical thinking, teamwork, effective communication, and leadership abilities. Students have the opportunity to apply and refine these skills throughout the course.
- 4. Reduced Stress:** By distributing the course work and assessment tasks throughout the semester, the approach helps reduce stress on students. It lessens the pressure associated with high-stakes, end-of-term exams and encourages a more balanced workload.

Incorporating continuous assessment into the educational process has the potential to improve learning outcomes, provide a more comprehensive evaluation of student performance, and contribute to the development of critical skills. It also supports a more balanced and less stressful approach to education, benefiting both students and teachers.

## 1. About Examination at college:

Ashoka Center for Business & Computer Studies(ACBCS), Nashik is an affiliated Savitribai Phule Pune University(SPPU), and is governed in principle by the acts and ordinances of the affiliating University for conduct of its examinations. The College offers different Under Graduate and one Post Graduate Courses as per the curriculum approved by SPPU. The College also follows a semester system of examination as prescribed by SPPU. These examinations are conducted and managed by the College through a well-defined and robust mechanism.

The College is committed to ensuring that the process of management and administration of the examination is effective and efficient. This examination SOP is an important document for the Teaching Learning and Evaluation process adhered to by the institution. All the stakeholders are expected to read and understand the SOP and take proactive steps for its effective implementation. The examination SOP will be reviewed every year by a committee formed by the Principal for the purpose and any changes as and when felt necessary will be incorporated after due consultation with all the stakeholders. The purpose of this examination policy is:

1. To ensure smooth planning, management and efficient conduct of the Internal and External examination processes in the best interests of the students.
2. To have a robust and streamlined mechanism of Continuous Internal Evaluation.
3. To ensure the operation of an efficient examination system with clearly defined roles for both staff and students.
4. To have a transparent and effective mechanism to address any examination related grievances of the students.

“The College has Internal Assessment Examination Committee which ensures smooth and transparent conduct of Internal Evaluation Examinations. The internal concurrent examinations are planned and conducted as per the University guidelines mentioned in syllabus by mentioning its schedule for 1<sup>st</sup> two concurrent by Subject Teacher in their subject Course File and 3<sup>rd</sup> concurrent Mid Term & 4<sup>th</sup> concurrent End Term exams in semester wise Academic Calendar of Colleg. The students are free to raise grievances regarding evaluation process if they are not satisfied. The college has constituted Internal Assessment Examination Committee to look into the grievance related to internal examination. There are 5 members in the committee which monitors smooth conduct of the examination. Grievance related to internal examination is immediately informed to the concerned departments and get them resolved. The parent university has introduced CBCS pattern in the academic year 2019-20. In this pattern evaluation is done at

college as well as university levels. The final evaluation and grading of the students in every semester is done based on 30% weightage to Continuous Internal Evaluation and 70% weightage to External Evaluation based on End Semester examinations conducted by the SPPU as shown below.

## 2. Examination Committee

“The College has Continuous Internal Assessment Examination Committee which ensures smooth and transparent conduct of Internal Evaluation Examinations. The committee is constituted by the Principal of the College from among the fulltime teaching faculty of the College. The composition and tenure of the committee is decided by the Principal. The Committee is headed by the Examination Incharge College Examination Officer appointed by SPPU under CEO there are five members constitute the committee. Structure of committee as follows

- Examination Head: College Examination Officer
- CIE Head
  - 4 members as 1 from BBA, 1 from B.com, 1 from BBA(CA), 1 from B.Sc(CS) & M.Sc(CA)

A. prepares guidelines and time-lines for effective and uniform conduct of the Continuous Internal Evaluation process.

- B. Communicates regularly with staff and students concerning imminent deadlines and events.
- C. Communicates through the Principal with the affiliating University in all matter relating to examinations.
- D. Receives, checks and stores and securely transports all examination related material as per guidelines.
- E. Advises and settles any grievance related to evaluations both internal and external after due consultation with the Principal.
- F. CIE committee make sure that all teachers complete CO-PO mapping & attainment as per Annexure A

### **3. Components of Continuous Internal Evaluation**

For Internal Evaluation, the College follows a uniform and robust mechanism. The continuous internal Evaluation is based on the following components:

Four concurrent evaluation are taken in one semester as follows

1. 1<sup>st</sup> two concurrent are taken by respective subject teacher from wide range of assessment types decided by the concerned (department and are aimed at both summative and formative Evaluation of the students as follows.....
  - a. Class Test
  - b. Case Study analysis
  - c. Group discussion/Debate
  - d. Role Play
  - e. Presentations
  - f. Field visits
  - g. Google Quiz
  - h. Subject Demand assessment. Needs to be approved by HOD along with rubrics of it's evaluation
2. 3<sup>rd</sup> Concurrent evaluation i.e Mid Term Exam is carries out at the mid of semester which is based on approx. 50% syllabus.
3. 4<sup>th</sup> Concurrent evaluation i.e End Term Exam is carries out at the End of semester which is based on approx. 100% syllabus and one month prior to university exam

**In annexure A** with Detail Process of CO-PO Mapping, attainment & CIE sheet shown with all components & Marks allocated to it

**In Annexure B:** Concurrent 1 & 2 evaluation types with Rubrics

**Model of Assessment:**

Sr. No	Internal Assessment Modes	Marks	Converted to	Final Internal marks
1	Concurrent Evaluation 1-Class Test (Best one out of 2)	20 Marks	Out of 5 (a)	Addition of a+b+c+d  B.Sc(CS)-It converted into 15 marks  For Other Dept.  Converted into 30 marks
2	Concurrent Evaluation 2-Any 2 from Sub point 4-from b to h (Best one out of 2)	20 Marks	Out of 5 (b)	
3	Concurrent Evaluation 3-Mid Term	30 Marks	Out of 10 (c)	
4	Concurrent Evaluation 4-End Term	1*70 or 1*35	Out of 10 (d)	
5	External End Semester	70 or 35 Marks	NIL	NIL

#### 4. Mechanism of Evaluation

Every departmental level member of CIE is responsible for smooth and fair implementation of the Evaluation process as per the examination SOP of the College at their department. Question papers for Mid Term , End Term Exam & class tests are set by subject teacher and moderated by departments CIE members except class test. Evaluation and scrutiny of the answer scripts is done by the faculty of the concerned Department. The Head of the CIE is responsible for allotment of evaluation duties amongst the departmental faculty as well as ensuring that the process of evaluation is fair and efficient. All issues arising out of and during the process of will be taken up by CIE in coordination with Principal. The committee is also responsible for proper tabulation and moderation of the marks and maintenance of other records. The process of conducting and monitoring the Continuous Internal Evaluation of the students is the sole responsibility CIE for Midterm & End term Exam & 1<sup>st</sup> two concurrent by the department. The Head of Department has to be suggest the faculty name for CIE member to represent department. Each Department has the flexibility to choose type of 1<sup>st</sup> two concurrent evaluation of the Continuous Internal Evaluation process as per the subject specific requirements whilst strictly adhering to the broad guidelines of the examination SOP of the College. At the end of each semester, an overall performance of the students is made based on the different components. The Departmental CIE member is responsible for finalising the grades / marks in coordination with subject teacher and maintaining necessary records.

## **Mechanism for exam schedule, result declaration, remedial, finalization, display & uploading of internal marks**

Subject teacher will have to inform their student well in advance (minimum 7 days) about dates of Concurrent evaluation 1 & 2 and also share with students about which CO is mapped with these concurrent so that students will get time for preparation. Result of these two concurrent evaluations should be declared within 10 days.

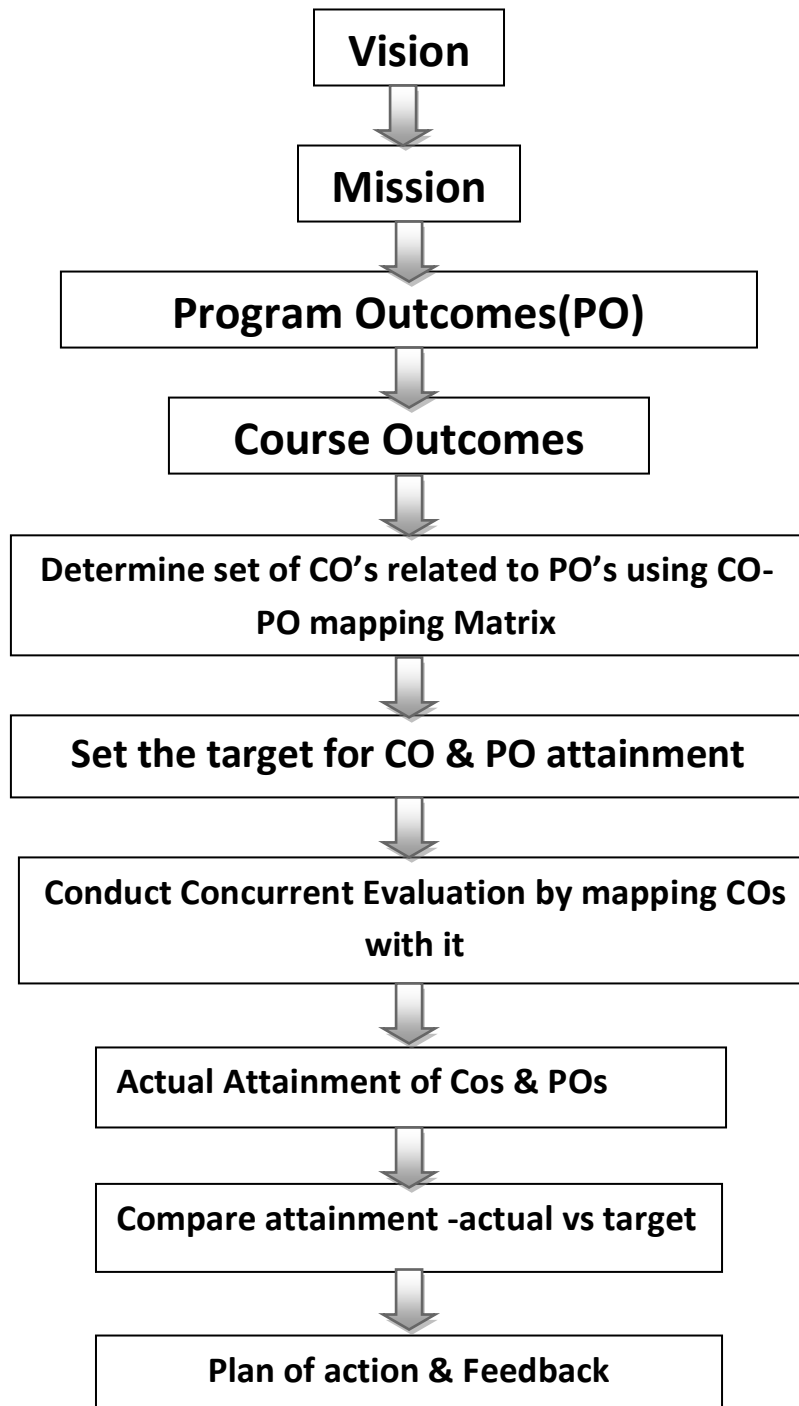

Concurrent 3 i.e. mid-term & Concurrent 4 i.e. end-term dates are already shared with students through academic calendar and in case there is any change in dates then that needs to be informed by CIE to students through notice.

Midterm question paper needs to be set as per instruction given by CIE committee & respective subject requirement by subject teacher. Result of Mid exam has to be declared within 10 days. Those students who fail or scoreless marks need to call for remedial as per departmental remedial timetable to let them understand basic concepts of subject.

End term question paper needs to follow pattern of SPPU question paper for their respective subjects along with CO mapping. Result of End term exam has to be declared within 10 days. Those students who fail or scoreless marks need to call for remedial as per departmental remedial timetable to let them understand basics of subject.

Respective Department CIE members have to make sure that final internal marks should get ready within 15 days of end term result with duly signature of subject teacher, HOD & principal. CIE members will make sure that all internal marks should get displayed on departmental notice board and ask students to submit grievance within 3 days of display of marks and if any grievance is submitted then CIE committee will resolve it as per Exam Grievance Redressal Mechanism. These marks are get uploaded as per SPPU timeline.

## Annexure A

Continuous Internal Evaluation Sheet – total four concurrent evaluation conducted as...

1. Concurrent 1
2. Concurrent 2
3. Mid Term
4. End Term

### Steps for CO-PO mapping & Attainment

1. Teacher has to prepare CO-PO mapping Matrix by considering three levels as follows.
  - 1-Low 2-moderate 3-Strongly Related
2. Teacher orient about CIE pattern Course Outcomes(CO) along with CO-PO mapping of their course to students in the first lecture.
3. Teacher has to set concurrent 1 , concurrent 2 , Mid term & End term Exam questions/Question papers by mentioning which COs achieved by students by attempting questions.
4. Teacher has to insert marks achieved by students in the concurrent sheet in the form of COs which are mapped with questions for all concurrent exams.
5. Teacher has to do CO Attainment for all Cos

$$\text{CO(1,2,..) attainment by student in \%} = \frac{\text{Sum of all marks achieved for CO(1,2,..n)}}{\text{Sum of marks allocated to CO(1,2,..n)}} * 100$$

- 6 Calculate studentwise CO(1,2,...n) attainment levels as 1, 2, 3 as mentioned in point 1.
- 7 Calculate overall students attainment level by taking average of all Studentwise CO(1,2,...n) attainment levels.
8. Teacher compare actual versus target CO attainment level. If actual attainment level is below target level then teacher has to give plan of action for same.
9. Teacher calculate PO(1,2..n) attainment with help of CO attainment (1,2...n)

$$\text{PO attainment} = \frac{\sum \text{CO(1...n) attainment} * \text{CO(1...n)} - \text{PO(1..n) mapping level}}{\sum \text{CO(1,2,...n)-PO(1,2,..n) Mapping level(1,2,..n)}}$$
