INTRODUCTION:

NSS unit of Ashoka Center for Business and Computer Studies, Nashik (D-SF-112) organized a special camp in the village, Moh from 05-01-2026 to 11-01-2026. This special camp was organised with the help Grampanchayat Department of Moh. The Volunteers of the NSS unit performed many other activities - awareness programs on water conservation, tree plantation, health and hygiene, cleanliness drive, etc.

OBJECTIVES OF EVENT:

- i. **Community Engagement:** To actively involve the local community of Mohagaon in water conservation efforts through awareness and participation.
- ii. **Practical Implementation:** To construct Continuous Contour Trenches (CCT) to aid in water retention and soil conservation.
- iii. **Awareness and Education:** To educate villagers and students about the importance of water conservation, sanitation, and hygiene through rallies, street plays, and informational sessions.
- iv. **Skill Development:** To develop practical skills in volunteers related to project management, community mobilization, and field work.
- v. **Environmental Action:** To contribute to the local ecosystem through tree plantation and village cleanliness drives, directly supporting the water conservation theme.
- vi. **Professional Development:** To develop leadership qualities, discipline, and teamwork among NSS volunteers.

Day 1: Monday, 05-01-2026 - Camp Setup and Inauguration

The NSS volunteers reached Mohu village at 7:30 a.m. The day began with setup arrangements and cleaning activities to prepare the camp premises. Volunteers actively participated in organizing living spaces and ensuring cleanliness.

An Inauguration Programme was conducted at Mohu village from 10:30 a.m. to 12:00 noon. The programme was graced by Mr. Shrikant Shukla, Dr. Narendra Telrandhe, Principal, the Sarpanch, and Gram Panchayat members. The importance of NSS activities and water conservation was highlighted during the inaugural addresses.

In the afternoon, NSS volunteers conducted a Village Population and Anemia Survey and carried out a site visit to Khandoba Tekdi for the proposed CCT work. This activity helped students understand local water scarcity issues and the importance of groundwater recharge.

The evening session included street play topic orientation and script writing, focusing on water conservation and cleanliness. The day concluded with daily report writing and a cultural programme, promoting unity and team bonding among volunteers. The ceremony set a positive and motivational tone for the week ahead.

Learning & Outcome:

Understanding village life and social issues

Development of communication and observation skills

Day 2: Tuesday, 06-01-2026 - Shramdan for Water Conservation

The day began with Yoga and Meditation from 6:30 a.m. to 7:30 a.m., emphasizing physical and mental well-being. After breakfast and cleaning, a morning assembly was conducted.

From 10:30 a.m. to 1:00 p.m., volunteers participated in Shramdan activities, including CCT making at Khandoba Tekdi and village cleanliness drives. These activities directly supported the camp's water conservation theme by improving water absorption and reducing runoff. Mr. Anil Shimpi conducted the lecture on water conservation and CCT making

The afternoon was dedicated to the conceptualization and script writing of the street play on water conservation, turning the morning's practical experience into a creative message for the community., preparing awareness performances related to water conservation and social issues. Tree man of nashik Mr. Shekhar Gaikwad conducted the session on "myths and facts of tree plantation" and guided students to plant various trees suitable to the natural habitat. The evening was spent on report writing and cultural activities, followed by dinner.

Learning & Outcome:

Importance of environmental conservation
Team coordination and discipline

Dignity of labour

Day 3: Wednesday, 07-01-2026 - Community Infrastructure and Health Awareness

Day 3rd commenced with Yoga and Meditation, followed by routine chores. Volunteers continued Shramdan activities, including CCT construction and compound painting work at the Zilla Parishad School, contributing to environmental improvement and water retention.

A health awareness session on “Adolescent Behaviour and Contagious Diseases” was conducted by Ms. Priti Magar and Ms. Janki Kale from Civil Hospital. The session educated students and villagers on hygiene, health, and disease prevention, indirectly supporting water-related sanitation awareness.

Street play practice continued in the afternoon, and the day concluded with report writing and cultural activities.

Learning and Outcomes of Day 3

Increased awareness about adolescent health and contagious diseases

Contribution to the development and cleanliness of the village school

Developed social responsibility and empathy

Thursday, 08-01-2026 - Health Services and Continued Shramdan

The fourth day of the NSS Special Camp began with Yoga and Meditation from 6:30 a.m. to 7:30 a.m., which helped volunteers maintain physical fitness and mental concentration for the day's demanding field activities. After morning chores and breakfast, the volunteers assembled for the day's scheduled programmes.

In the afternoon, a session on importance of blood donation camp was organised with the health checkup camp by Nashik Civil Hospital. During the evening hours, volunteers continued street play practice, refining performances centered on water conservation, cleanliness, and social responsibility. Ms. Sujata Katkade session on cyber security was conducted in late afternoon she explained explained various cyber threats such as online fraud, hacking, phishing, and misuse of personal data. Volunteers were educated about safe internet practices, strong passwords, and responsible use of digital platforms. The session was highly informative and relevant in today's digital age.

Street play practice continued in the evening. The day ended with cultural activities and report writing.

Day 5: Friday, 09-01-2026 - Village Shramdan and Creative Expression

Day 5 included Shramdan in the village and a Poster Making Competition for NSS volunteers, focusing on water conservation and environmental awareness. Volunteers creatively expressed messages on saving water and protecting natural resources.

A significant highlight of Day 5 was the Blood Donation Camp, organized with the objective of promoting voluntary blood donation and strengthening community health services. NSS volunteers and villagers voluntarily donated blood, which was collected and sent to the Civil Hospital, Nashik.

The volunteers not only donated blood but also assisted in organizing the camp, guiding donors, maintaining records, and ensuring proper coordination with medical staff. The blood donation camp contributed meaningfully to emergency medical services and reinforced the spirit of selfless service.

The activities conducted on this day strengthened the sense of responsibility, awareness, and teamwork among the NSS volunteers.

Day 7: Sunday, 11-01-2026 - Tree Plantation and Valedictory

The final day included a cleanliness and social awareness rally from 11:00 a.m. to 12:00 noon, spreading messages on water conservation and hygiene. Expert Session on “Viksit Bharat and Youth” was conducted by administrator Dr.Narendra Telrandhe.Sir explained how youth can contribute to nation building through discipline, service, and social responsibility.The session inspired volunteers to work for the development of society

A Tree Plantation Drive and Valedictory Session was held at 2:00 p.m., symbolizing long-term commitment to environmental sustainability and water conservation. Students and villagers shared their feedback, highlighting the positive impact of the camp.

The camp concluded with the return journey, marking the successful completion of the NSS Special Camp. The NSS Special Camp concluded with a sense of achievement and fulfillment, followed by the return journey. The camp left a lasting impression on both volunteers and the village community, reinforcing the values of service, environmental responsibility, and social awareness.
