<u>Opinion & Suggestions</u>	<u>Corrective Action</u>
College should conduct offline classes.	Due to pandemic situation the college has followed all the COVID measures & small batches of Practical sessions shall begin on offline mode.
Should have an industrial visit so that the students will have the curiosity behind the works of the industry.	Due to pandemic situation it won't be possible to plan the Industrial Visit. It will be planned when the COVID situation get normal.
Use of smart boards must be done.	Planned for next academic year.
Placements related seminar, Support for UPSC,MPSC exam in campus.	Online sessions has been panned and conducted through Competitive Exam Cell.
To organise competition for MCQ's in lectures on topic which have been taught.	In revision and remedial session the MCQs are discussed. Subject teacher has shared 100 MCQ to students with the answer key.
Institute should focus more on sports.	As per regular practice college has organized sports meet but because of Covid 19 and safety measures, it shall be planned & conducted in the academic year 2021-2022.
Proper explanation of distribution of overall marks.	At the beginning of Academic year, in the orientation program under exam proper distribution of marks is explained. After conduction of Internal exam, subject teacher checks the papers & convey proper distribution of marks to students.
The MOOC/online courses should be provided for acquiring skills required for the future.	Conducted Online orientation for students to aware about MOOC and Swayam courses.
